**AUTHORIZATION TO EXECUTE A SOLE SOURCE CONTRACT WITH THE REGENTS OF THE  
UNIVERSITY OF CALIFORNIA, LOS ANGELES EFFECTIVE UPON DATE OF EXECUTION  
THROUGH JUNE 30, 2018  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Provide authorization to execute a sole source contract with the Regents of the University of California, Los Angeles for Tuberculosis Elimination: Preventing Tuberculosis Among Foreign Born Persons Seeking Permanent Residency in Los Angeles County, effective upon date of execution.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Authorize and instruct the Interim Director of the Department of Public Health (DPH), or her designee, to execute a sole source contract, substantially similar to Exhibit I, with the Regents of the University of California, Los Angeles (UCLA) to implement the Partnership for Tuberculosis (TB) Elimination: Preventing Tuberculosis Among Foreign Born Persons Seeking Permanent Residency in Los Angeles County (LAC) project, effective upon date of execution through June 30, 2018, in the amount of \$175,000; 100 percent offset by the Productivity Investment Fund (PIF) grant from the County of Los Angeles Quality and Productivity Commission (Commission).
2. Delegate authority to the Interim Director of DPH, or her designee, to execute amendments to the UCLA contract that adjust the term through December 31, 2018; allow the rollover of unspent contract funds; and/or provide an increase or decrease in funding up to 10 percent above or below each term's annual base maximum obligation, effective upon amendment execution, and make corresponding service adjustments, as necessary, subject to review and approval by County

Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Delegate authority to the Interim Director of DPH, or her designee, to execute change notices to the UCLA contract that authorize modifications to or within budget categories, and corresponding service adjustments, as necessary, and/or corrections of errors in the contract's terms and conditions.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of Recommendation 1 will allow DPH to enter into a sole source contract with UCLA to implement the Partnership for TB Elimination: Preventing Tuberculosis Among Foreign Born Persons Seeking Permanent Residency in LAC project. This pilot intervention project will be conducted within a small group of four to six separate civil surgeon practices within LAC. A Civil Surgeon is a medical doctor or doctor of osteopathy licensed in the State of California and designated by United States Citizenship and Immigration Services to provide medical examinations to permanent residency applicants, including screening and testing for TB.

Currently in LAC, there are no program services that focus on the treatment of TB infection among permanent residency applicants, a high risk group with increased rates of TB disease. The intervention will address this important gap in existing services by providing high quality TB prevention services to permanent residency applicants in LAC. The intervention will prevent future cases of TB disease in this population by achieving the following goals: 1) increase screening and testing for Mycobacterium tuberculosis infection; 2) increase initiation of treatment for TB infection; and 3) increase completion rates for the treatment of TB infection, preventing the development of future cases of TB disease that have the potential to further transmit TB within the community.

UCLA, through its Fielding School of Public Health, Department of Epidemiology, will provide expert public health project management and evaluation services to survey and recruit Civil Surgeons for the pilot intervention. Specifically, UCLA will collaborate with the Curry International TB Center (CITC) and the California Department of Public Health (CDPH) to deliver TB education workshops to Civil Surgeons. In addition, UCLA will implement and evaluate a project of targeted testing and treatment of TB infection within four (4) to six (6) Civil Surgeon clinic facilities. The final project report will outline recommendations for a County-wide implementation of the intervention among Civil Surgeons in LAC, including treatment referral processes for DPH and the Department of Health Services' clinics, as well as with private sector providers.

The UCLA Fielding School of Public Health, Department of Epidemiology, has existing programmatic, technical, and scientific expertise related to TB prevention within the Civil Surgeon community. The Department of Epidemiology is currently conducting public health outreach to Civil Surgeons in LAC with a focus on TB prevention, under the direction of Dr. Sanghyuk Shin, Ph.D., an Adjunct Assistant Professor and an infectious diseases epidemiologist specializing in TB epidemiology. UCLA also has an established partnership with CITC and CDPH to develop a Civil Surgeon training program.

Approval of Recommendation 2 will allow DPH to execute amendments that adjust the term of the contract; rollover unspent funds; and/or increase or decrease funding up to 10 percent above or below the annual base maximum obligation, effective upon amendment execution, and make corresponding service adjustments, as necessary. This recommended action will enable DPH to amend the contract to adjust the term for a period of up to six months beyond the expiration date. Such amendments will only be executed if and when there is an unanticipated extension of the term

of the applicable grant funding to allow additional time to complete services and utilize grant funding. This authority is being requested to enhance DPH's efforts to expeditiously maximize grant revenue, consistent with Board Policy 4.070: Full Utilization of Grant Funds.

Approval of Recommendation 3 will allow DPH to execute change notices to the contract that authorize modifications to or within budget categories, and corresponding service adjustments, as necessary, and/or corrections of errors in the contract's terms and conditions.

### **Implementation of Strategic Plan Goals**

The recommended actions support Goal 2, Community Support and Responsiveness, and Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

### **FISCAL IMPACT/FINANCING**

The total maximum obligation for the UCLA contract is \$175,000; 100 percent funded by the PIF grant.

Funding for the contract is included in DPH's fiscal year (FY) 2015-16 Final Adopted Budget and will be included in future FYs, as necessary.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

As a recipient of a Cooperative Agreement from the Centers for Disease Control and Prevention (CDC), DPH is required to implement and report on TB prevention interventions within high risk populations, including immigrant and refugee populations. On January 9, 2015, DPH's TB Control Program submitted a funding proposal to the Commission to support the implementation of an enhanced TB prevention project. On March 11, 2015, the Commission unanimously approved DPH's PIF grant proposal, fully recognizing that this project, as presented in the grant application, is a partnership with the Department of Epidemiology, UCLA Fielding School of Public Health.

As required under Board policy 5.100, your Board was notified on January 6, 2016 of DPH's intent to negotiate a sole source agreement with UCLA.

County Counsel has approved Exhibit I as to use. Attachment A is the Sole Source Checklist signed by the CEO.

### **CONTRACTING PROCESS**

The contract with UCLA is being awarded as a sole source contract. This recommendation is consistent with the Commission's recognition of DPH's PIF grant proposal as a partnership with the Department of Epidemiology, UCLA Fielding School of Public Health when the grant proposal was unanimously approved on March 11, 2015.

UCLA has gained national recognition for its work in TB Prevention with the Civil Surgeon community. At the CDC's 6th Annual Tuberculosis Epidemiologic Studies Consortium (TBESC) meeting held on September 18, 2015, UCLA's method of TB prevention outreach among LAC Civil

Surgeons was highlighted as a possible model for nationwide replication. UCLA is uniquely positioned to successfully implement this project, fulfilling all the prerequisites for delivering project services as described in the Scope of Work.

DPH considered conducting a Work Order Solicitation for evaluation services; however, the department determined the solicitation process would not be able to identify a vendor, such as UCLA, with the prerequisite working knowledge of the Civil Surgeon community and the established relationships with the CDC, CDPH, and CITC that are critical to the project.

If the sole source contract is not approved, there will be significant delays in implementation of the project, jeopardizing grant funding because project timelines for initiation and completion may not be met. DPH will also be unable to leverage UCLA's existing expertise working with the Civil Surgeon community, potentially lowering the quality of services delivered to the community of permanent residency applicants. Finally, as this project addresses an important gap in existing services, there will be further delays in the provision of critical TB prevention services among immigrants at high risk for TB infection and development of TB disease if this sole source contract is not approved.

Further, contracts with UCLA, as a public-sector government entity, do not come under the Los Angeles County Code's bidding requirements for contracts with private businesses.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Approval of the recommended actions will enhance existing TB prevention and treatment services provided to residents of LAC by expanding populations targeted by interventions to include immigrant populations at high risk for TB infection and development of TB disease.

Respectfully submitted,

Cynthia A. Harding, M.P.H.

Interim Director

	➤ Services are needed to address an emergent or related time-sensitive need.
	➤ The service provider(s) is required under the provisions of a grant or regulatory requirement.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the original equipment manufacturer or an authorized service representative.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best economic interest of the County (e.g., significant costs to replace an existing system or infrastructure, administrative cost savings and excessive learning curve for a new service provider, etc.) In such cases, departments must demonstrate due diligence in qualifying the cost-savings or cost-avoidance associated with the best economic interest of the County.

If this Contract is terminated prior to the close of the contract period, the cost report shall be for that Contract period which ends on the termination date. The report shall be submitted within forty-five (45) calendar days after such termination date.

G. Withholding Payment:

(1) Subject to the reporting and data requirements of this Contract and the exhibit(s) attached hereto, Director may withhold any payment to Contractor if any report or data is not delivered by Contractor to County within the time limits of submission as set forth in this Contract,

or if such report or data is incomplete in accordance with requirements set forth in this Contract. This withholding may be invoked for the current month and any succeeding month or months for reports or data not delivered in a complete and correct form.

(2) Subject to the Record Retention and Audits provision of this Contract, Director may withhold any claim for payment by Contractor if Contractor has been given at least thirty (30) calendar days notice of deficiency(ies) in compliance with the terms of this Contract and has failed to correct such deficiency(ies). (3) Upon acceptance by County of all report(s) and data previously not accepted under this provision and/or upon correction of the deficiency(ies) noted above, Director shall reimburse all withheld payments on the next regular monthly claim for payment by Contractor.

(4) Subject to the provisions of the exhibit(s) of this Contract, if the services are not completed by Contractor within the specified time, Director may withhold all payments to Contractor under this Contract until proof of such service(s) is/are delivered to County.

(5) In addition to Sub-paragraphs (1) through (4) immediately above, Director may withhold payments due to Contractor for amounts due to County as determined by any cost report settlement, audit report, audit report settlement, or financial evaluation report, resulting from this or any current year's Contract(s) or any prior year's Contract(s) between the

County and Contractor. The withheld payments will be used to pay all amounts due to the County. Any remaining withheld payment will be paid to the Contractor accordingly.

(6) Director may withhold any payment to Contractor if Contractor, in the judgment of the County is in material breach of this Contract or has failed to fulfill its obligations under this Contract until Contractor has cured said breaches and/or failures. Director will provide written notice of its intention to withhold payment specifying said breaches and/or failure to Contractor.

H. Fiscal Viability: Contractor must be able to carry the costs of its program without reimbursement under this Contract for at least sixty (60) days at any point during the term of this contract.

7. FUNDING/SERVICES ADJUSTMENTS AND REALLOCATIONS:

A. Upon Director's specific written approval, as authorized by the County's Board of Supervisors, County may: 1) increase or decrease funding up to ten percent (10%) above or below each term's annual base maximum obligation; 2) reallocate funds between budgets within this Contract where such funds can be more effectively used by Contractor up to ten percent (10%) of the term's annual base maximum obligation; and 3) make modifications to or within budget categories within each budget, as reflected in Exhibit C, up to an adjustment between all budget categories equal to ten percent (10%) of each term's annual base maximum obligation, and make corresponding service adjustments, as necessary. Such adjustments may be made based on the

following: (a) if additional monies are available from federal, State, or County funding sources; (b) if a reduction of monies occurs from federal, State, or County funding sources; and/or (c) if County determines from reviewing Contractor's records of service delivery and billings to County that an underutilization of funds provided under this Contract will occur over its term.

All funding adjustments and reallocation as allowed under this Paragraph may be effective upon amendment execution or at the beginning of the applicable contract term, to the extent allowed by the funding source and as authorized by the County's Board of Supervisors. Adjustments and reallocations of funds in excess of the aforementioned amount shall require separate approval by County's Board of Supervisors. Any change to the County maximum obligation or reallocation of funds between budgets in this Contract shall be effectuated by an administrative amendment to this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract. Any modification to or within budget categories within each budget, as reflected in Exhibit C, shall be effectuated by a change notice that shall be incorporated into and become part of this Contract pursuant to the ALTERATION OF TERMS/AMENDMENTS Paragraph of this Contract.

B. County and Contractor shall review Contractor's expenditures and commitments to utilize any funds, which are specified in this Contract for the services hereunder and which are subject to time limitations as determined by Director, midway through each County fiscal year during the term of this Contract, midway through the applicable time limitation period for such funds if

such period is less than a County fiscal year, and/or at any other time or times during each County fiscal year as determined by Director. At least fifteen (15) calendar days prior to each such review, Contractor shall provide Director with a current update of all of Contractor's expenditures and commitments of such funds during such fiscal year or other applicable time period.

8. ALTERATION OF TERMS/AMENDMENTS:

A. The body of this Contract and any Exhibit(s) attached hereto, fully expresses all understandings of the parties concerning all matters covered and shall constitute the total Contract. No addition to, or alteration of, the terms of this Contract, whether by written or verbal understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Contract which is formally approved and executed by the parties in the same manner as this Contract.

B. The County's Board of Supervisors; the Chief Executive Officer or designee; or applicable State and/or federal entities, laws, or regulations may require the addition and/or change of certain terms and conditions in the Contract during the term of this Contract to comply with changes in law or County policy. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors, Chief Executive Officer, or State or federal entity. To implement such changes, an Amendment to the Contract shall be prepared by Director and executed by the Contractor and Director, as authorized by the County's Board of Supervisors.

C. C. Contractor's Staff Identification: All of Contractor's employees assigned to County facilities are required to have a County Identification (ID) badge on their person and visible at all times. Contractor bears all expense related to the badges.

D. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation. Contractor shall perform the background check using County's mail code, routing results to the County.

If a member of Contractor's staff who is in a designated sensitive position does not obtain work clearance through the criminal history background review, they may not be placed and/or assigned within the Department of Public Health. During the term of the Contract, the Department may receive subsequent criminal information. If this subsequent information constitutes a job nexus, the Contractor shall immediately remove staff from performing services under this Contract and replace such staff within fifteen (15) days of removal or within an agreed upon time with the County. Pursuant to an agreement with the Federal Department of Justice, the County will not provide to Contractor nor to Contractor's staff any information obtained through the criminal history review.

Disqualification of any member of Contractor's staff pursuant to this section shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

24. ASSIGNMENT AND DELEGATION:

A. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this sub-paragraph, County consent shall require a written Amendment to the Contract, which is formally approved and executed by the parties. Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims, which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any

person or entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Contract which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

25. AUTHORIZATION WARRANTY: Contractor hereby represents and warrants that the person executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation set forth in this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

26. BUDGET REDUCTIONS: In the event that the Board adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions. Except as set forth in the preceding sentence, Contractor shall continue to provide all of the services set forth in this Contract.

27. CONTRACTOR BUDGET AND EXPENDITURES REDUCTION

FLEXIBILITY: In order for County to maintain flexibility with regard to budget and expenditure reductions, Contractor agrees that Director may cancel this Contract, without cause, upon the giving of ten (10) calendar days written notice to Contractor. In the alternative to cancellation, Director may, consistent with federal, State, and/or County budget reductions, renegotiate the scope/description of work, maximum obligation, and budget of this Contract via a written amendment to this Contract.

28. COMPLAINTS: The Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to complaints.

B. The policy shall include, but not be limited to, when and how new clients as well as current and recurring clients are to be informed of the procedures to file a complaint.

C. The client and/or his/her authorized representative shall receive a copy of the procedure.

E. If the County requests changes in the Contractor's policy, the Contractor shall make such changes and resubmit the plan within thirty (30) business days for County approval.

F. If, at any time, the Contractor wishes to change the Contractor's policy, the Contractor shall submit proposed changes to the County for approval before implementation.

H. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.

I. Copies of all written responses shall be sent to the County's Project Manager within three (3) business days of mailing to the complainant.

29. COMPLIANCE WITH APPLICABLE LAW:

A. In the performance of this Contract, Contractor shall comply with all applicable federal, State and local laws, rules, regulations, ordinances, directives, guidelines, policies and procedures, and all provisions required thereby to be included in this Contract are hereby incorporated herein by reference. To the extent that there is any conflict between federal and State or local laws, the former shall prevail.

B. Contractor shall provide indemnification as stated in Paragraph 11, Indemnification of the Contract.

30. COMPLIANCE WITH CIVIL RIGHTS LAW: The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the

grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. B. Written Employee Jury Service Policy:

(1) Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, “Contractor” means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. “Employee” means any California resident who is a full-time employee of the Contractor. “Full-time” means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the Contract.

(3) If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if the

Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate, to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, County may, at its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

32. CONFLICT OF INTEREST:

No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.

B. The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph shall be a material breach of this Contract.

For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. Contractors shall report all job openings with job requirements to [GainGrow@dpss.lacounty.gov](mailto:GainGrow@dpss.lacounty.gov) to obtain a list of qualified GAIN/GROW job candidates.

At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

Notwithstanding the above, the Contractor and the County agree that, during the term of this Contract and for a period of one year thereafter, neither party shall in any way intentionally induce or persuade any employee of one party to become an employee or agent of the other party. No bar exists against any hiring action initiated through a public announcement.

56. PROHIBITION AGAINST PERFORMANCE OF SERVICES WHILE UNDER THE INFLUENCE: Contractor shall ensure that no employee or physician performs services while under the influence of any alcoholic beverage, medication, narcotic, or other substance that might impair his/her physical or mental performance.

57. PUBLIC RECORDS ACT:

A. Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to the RECORD RETENTION AND AUDITS Paragraph of this Contract; as well as those documents which were required to be submitted in response to the Request for Proposals (RFP) used in the solicitation process for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall

not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

B. In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked “trade secret”, “confidential”, or “proprietary”, the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney’s fees, in action or liability arising under the Public Records Act.

58. PURCHASES:

A. Purchase Practices: Contractor shall fully comply with all federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, in acquiring all furniture, fixtures, equipment, materials, and supplies. Such items shall be acquired at the lowest possible price or cost if funding is provided for such purposes hereunder.

B. Proprietary Interest of County: In accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives, County shall retain all proprietary interest, except for use during the term of this Contract, in all furniture, fixtures, equipment, materials, and supplies, purchased or obtained by Contractor using any contract funds designated for such purpose. Upon the expiration or earlier termination of this Contract, the discontinuance of the business of Contractor, the failure of Contractor to comply with any of the provisions of this Contract, the bankruptcy of

Contractor or its giving an assignment for the benefit of creditors, or the failure of Contractor to satisfy any judgment against it within thirty (30) calendar days of filing, County shall have the right to take immediate possession of all such furniture, removable fixtures, equipment, materials, and supplies, without any claim for reimbursement whatsoever on the part of Contractor. Contractor, in conjunction with County, shall attach identifying labels on all such property indicating the proprietary interest of County.

C. Inventory Records, Controls, and Reports: Contractor shall maintain accurate and complete inventory records and controls for all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose. Annually, Contractor shall provide Director with an accurate and complete inventory report of all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose.

D. Protection of Property in Contractor's Custody: Contractor shall maintain vigilance and take all reasonable precautions, to protect all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any contract funds designated for such purpose, against any damage or loss by fire, burglary, theft, disappearance, vandalism, or misuse. Contractor shall contact Director, for instructions for disposition of any such property which is worn out or unusable.

E. Disposition of Property in Contractor's Custody: Upon the termination of the funding of any program covered by this Contract, or upon the

expiration or earlier termination of this Contract, or at any other time that County may request, Contractor shall: (1) provide access to and render all necessary assistance for physical removal by Director or his authorized representatives of any or all furniture, fixtures, equipment, materials, and supplies, purchased or obtained using any County funds designated for such purpose, in the same condition as such property was received by Contractor, reasonable wear and tear expected; or (2) at Director's option, deliver any or all items of such property to a location designated by Director. Any disposition, settlement, or adjustment connected with such property shall be in accordance with all applicable federal, State, and County laws, ordinances, rules, regulations, manuals, guidelines, and directives.

59. REAL PROPERTY AND BUSINESS OWNERSHIP DISCLOSURE:

A. Real Property Disclosure: If Contractor is renting, leasing, or subleasing, or is planning to rent, lease, or sublease, any real property where persons are to receive services hereunder, Contractor shall prepare and submit to Director within ten (10) calendar days following execution of this Contract, an affidavit sworn to and executed by Contractor's duly constituted officers, containing the following information:

(1) The location by street address and city of any such real property.

(2) The fair market value of any such real property as such value is reflected on the most recently issued County Tax Collector's tax bill.

(3) A detailed description of all existing and pending rental agreements, leases, and subleases with respect to any such real property, such description to include: the term (duration) of such rental agreement, lease or sublease; the amount of monetary consideration to be paid to the lessor or sublessor over the term of the rental agreement, lease or sublease; the type and dollar value of any other consideration to be paid to the lessor or sublessor over the term of the rental agreement, lease, or sublease; the full names and addresses of all parties who stand in the position of lessor or sublessor; if the lessor or sublessor is a private corporation and its shares are not publicly traded (on a stock exchange or over-the-counter), a listing by full names of all officers, directors, and stockholders thereof; and if the lessor or sublessor is a partnership, a listing by full names of all general and limited partners thereof.

(4) A listing by full names of all Contractor's officers, directors, members of its advisory boards, members of its staff and consultants, who have any family relationships by marriage or blood with a lessor or sublessor referred to in sub-paragraph (3) immediately above, or who have any financial interest in such lessor's or sublessor's business, or both. If such lessor or sublessor is a corporation or partnership, such listing shall also include the full names of all Contractor's officers, members of its advisory boards, members of its staff and consultants, who have any family relationship, by marriage or blood, to an officer, director, or stockholder of the corporation, or to any partner of the partnership. In

preparing the latter listing, Contractor shall also indicate the names (s) of the officer(s), director(s), stockholder(s), or partner(s), as appropriate, and the family relationship which exists between such person(s) and Contractor's representatives listed.

(5) If a facility of Contractor is rented or leased from a parent organization or individual who is a common owner (as defined by Federal Health Insurance Manual 15, Chapter 10, Paragraph 1002.2), Contractor shall only charge the program for costs of ownership. Costs of ownership shall include depreciation, interest, and applicable taxes.

True and correct copies of all written rental agreements, leases, and subleases with respect to any such real property shall be appended to such affidavit and made a part thereof.

B. Business Ownership Disclosure: Contractor shall prepare and submit to Director, upon request, a detailed statement, executed by Contractor's duly constituted officers, indicating whether Contractor totally or partially owns any other business organization that will be providing services, supplies, materials, or equipment to Contractor or in any manner does business with Contractor under this Contract. If during the term of this Contract the Contractor's ownership of other businesses dealing with Contractor under this Contract changes, Contractor shall notify Director in writing of such changes within thirty (30) calendar days prior to the effective date thereof.

60. REPORTS: Contractor shall make reports as required by County concerning Contractor's activities and operations as they relate to this Contract and the

provision of services hereunder. In no event, however may County require such reports unless Director has provided Contractor with at least thirty (30) calendar days' prior written notification thereof. Director's notification shall provide Contractor with a written explanation of the procedures for reporting the information required.

61. RECYCLED CONTENT BOND PAPER: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at County landfills, Contractor agrees to use recycled-content bond paper to the maximum extent possible in connection with services to be performed by Contractor under this Contract.

62. SOLICITATION OF BIDS OR PROPOSALS: Contractor acknowledges that County, prior to expiration or earlier termination of this Contract, may exercise its right to invite bids or request proposals for the continued provision of the services delivered or contemplated under this Contract. County and its Department of Public Health (DPH) shall make the determination to re-solicit bids or request proposals in accordance with applicable County policies.

Contractor acknowledges that County may enter into a contract for the future provision of services, based upon the bids or proposals received, with a provider or providers other than Contractor. Further, Contractor acknowledges that it obtains no greater right to be selected through any future invitation for bids or request for proposals by virtue of its present status as Contractor.

63. STAFFING AND TRAINING/STAFF DEVELOPMENT: Contractor shall operate continuously throughout the term of this Contract with at least the minimum number of staff required by County. Such personnel shall be qualified in accordance

with standards established by County. In addition, Contractor shall comply with any additional staffing requirements which may be included in the Exhibits attached hereto.

During the term of this Contract, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of persons by name, title, professional degree, salary, and experience who are providing services hereunder. Contractor also shall indicate on such list which persons are appropriately qualified to perform services hereunder. If an executive director, program director, or supervisory position becomes vacant during the term of this Contract, Contractor shall, prior to filling said vacancy, notify County's Director. Contractor shall provide the above set forth required information to County's Director regarding any candidate prior to any appointment. Contractor shall institute and maintain appropriate supervision of all persons providing services pursuant to this Contract.

Contractor shall institute and maintain a training/staff development program pertaining to those services described in the Exhibit(s) attached hereto. Appropriate training/staff development shall be provided for treatment, administrative, and support personnel. Participation of treatment and support personnel in training/staff development should include in-service activities. Such activities shall be planned and scheduled in advance; and shall be conducted on a continuing basis. Contractor shall develop and institute a plan for an annual evaluation of such training/staff development program.

64. SUBCONTRACTING:

A. For purposes of this Contract, subcontracts must be approved in advance in writing by Director or his/her authorized designee(s). Contractor's request to Director for approval of a subcontract shall include:

(1) Identification of the proposed subcontractor, (who shall be licensed as appropriate for provision of subcontract services), and an explanation of why and how the proposed subcontractor was selected, including the degree of competition involved.

(2) A detailed description of the services to be provided by the subcontract.

(3) The proposed subcontract amount and manner of compensation, if any, together with Contractor's cost or price analysis thereof.

(4) A copy of the proposed subcontract. (Any later modification of such subcontract shall take the form of a formally written subcontract amendment which also must be approved in writing by the Director in the same manner as described above, before such amendment is effective.)

(5) Any other information and/or certification(s) requested by Director.

B. Director shall review Contractor's request to subcontract and shall determine, in his/her sole discretion, whether or not to consent to such a request on a case-by-case basis.

C. Subcontracts shall be made in the name of Contractor and shall not bind nor purport to bind County. The making of subcontracts hereunder shall not relieve Contractor of any requirement under this Contract, including, but not limited to, the duty to properly supervise and coordinate the work of subcontractors. Further, Director's approval of any subcontract shall also not be construed to limit in any way, any of County's rights or remedies contained in this Contract.

D. In the event that Director consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments or other compensation to all subcontractors, and their officers, employees, and agents.

E. In the event that Director consents to any subcontracting, such consent shall be provisional, and shall not waive the County's right to later withdraw that consent when such action is deemed by County to be in its best interest. County shall not be liable or responsible in any way to Contractor, or any subcontractor, for any liability, damages, costs, or expenses, arising from or related to County's exercising of such a right.

F. The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.

G. Subcontracts shall contain the following provision: "This contract is a subcontract under the terms of a prime contract with the County of Los Angeles

and shall be subject to all of the provisions of such prime contract.” Further, Contractor shall also reflect as subcontractor requirements in the subcontract form all of the requirements of the INDEMNIFICATION, GENERAL PROVISIONS FOR ALL INSURANCE COVERAGES, INSURANCE COVERAGE REQUIREMENTS, COMPLIANCE WITH APPLICABLE LAW, CONFLICT OF TERMS and ALTERATION OF TERMS Paragraphs and all of the provisions of this Contract.

Contractor shall deliver to Director a fully executed copy of each subcontract entered into by Contractor, as it pertains to the provision of services under this Contract, on or immediately after the effective date of the subcontract, but in no event, later than the date and any services are to be performed under the subcontract.

H. The Contractor shall obtain certificates of insurance which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor.

I. Director is hereby authorized to act for and on behalf of County pursuant to this Paragraph, including but not limited to, consenting to any subcontracting.

65. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM: Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 35, CONTRACTOR’S WARRANTY OF ADHERENCE TO COUNTY’S CHILD SUPPORT COMPLIANCE PROGRAM, herein, shall constitute default under this Contract. Without

limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to, Paragraph 67, TERMINATION FOR DEFAULT, herein, and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

66. TERMINATION FOR CONVENIENCE: The performance of services under this Contract may be terminated, with or without cause, in whole or in part, from time to time when such action is deemed by County to be in its best interest. Termination of services hereunder shall be effected by delivery to Contractor of a thirty (30) calendar day advance Notice of Termination specifying the extent to which performance of services under this Contract is terminated and the date upon which such termination becomes effective.

After receipt of a Notice of Termination and except as otherwise directed by County, Contractor shall:

- A. Stop services under this Contract on the date and to the extent specified in such Notice of Termination; and
- B. Complete performance of such part of the services as shall not have been terminated by such Notice of Termination.

Further, after receipt of a Notice of Termination, Contractor shall submit to County, in the form and with the certifications as may be prescribed by County, its termination claim and invoice. Such claim and invoice shall be submitted promptly, but not later than sixty (60) calendar days from the effective date of termination. Upon failure of Contractor to submit its termination claim and

invoice within the time allowed, County may determine on the basis of information available to County, the amount, if any, due to Contractor in respect to the termination, and such determination shall be final. After such determination is made, County shall pay Contractor the amount so determined.

Contractor for a period of five (5) years after final settlement under this Contract, in accordance with Paragraph 15, RECORD RETENTION AND AUDITS, shall retain and make available all its books, documents, records, or other evidence, bearing on the costs and expenses of Contractor under this Contract in respect to the termination of services hereunder. All such books, records, documents, or other evidence shall be retained by Contractor at a location in Los Angeles County and shall be made available within ten (10) calendar days of prior written notice during County's normal business hours to representatives of County for purposes of inspection or audit.

67. TERMINATION FOR DEFAULT: County may, by written notice of default to Contractor, terminate this Contract immediately in any one of the following circumstances:

A. If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Contract or any extension thereof as County may authorize in writing; or

B. If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two (2) circumstances, does not cure such

failure within a period of five (5) calendar days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County for such similar services.

If, after the County has given notice of termination under the provisions of this paragraph, it is determined by the County that the Contractor was not in default under the provisions of this paragraph, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 66, TERMINATION FOR CONVENIENCE.

The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

68. TERMINATION FOR GRATUITIES AND/OR IMPROPER CONSIDERATION: County may, by written notice to Contractor, immediately terminate Contractor's right to proceed under this Contract, if it is found that gratuities or consideration in any form, were offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent, with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment, or extension of the Contract, or making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination,

County shall be entitled to pursue the same remedies against Contractor as it could in the event of default by Contractor.

Contractor shall immediately report any attempt by a County officer, employee, or agent, to solicit such improper gratuity or consideration. The report shall be made either to the County manager charged with the supervision of the employee or agent, or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

(Among other items, such improper gratuities and considerations may take the form of cash, discounts, services, the provision of travel or entertainment, or other tangible gifts.)

69. TERMINATION FOR INSOLVENCY: County may terminate this Contract immediately for default in the event of the occurrence of any of the following:

- A. Insolvency of Contractor. Contractor shall be deemed to be insolvent if it has ceased to pay its debts at least sixty (60) calendar days in the ordinary course of business or cannot pay its debts as they become due, whether Contractor has committed an act of bankruptcy or not, and whether Contractor is insolvent within the meaning of the Federal Bankruptcy Law or not;
- B. The filing of a voluntary or involuntary petition under the federal Bankruptcy Law;
- C. The appointment of a Receiver or Trustee for Contractor;
- D. The execution by Contractor of an assignment for the benefit of creditors.

In the event that County terminates this Contract as provided hereinabove, County may procure, upon such terms and in such manner as County may deem

appropriate, services similar to those so terminated, and Contractor shall be liable to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

70. TERMINATION FOR NON-APPROPRIATION OF FUNDS:

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

71. NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT:

Notwithstanding any other provision of this Contract, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary under this Contract.

72. TIME OFF FOR VOTING: The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it

can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

73. UNLAWFUL SOLICITATION: Contractor shall require all of its employees performing services hereunder to acknowledge in writing understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of the Business and Professions Code of the State of California (i.e., State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of such provisions by its employees. Contractor shall utilize the attorney referral services of all those bar associations within Los Angeles County that have such a service.

74. VALIDITY: If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

75. WAIVER: No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

76. WARRANTY AGAINST CONTINGENT FEES:

A. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

B. For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

77. WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

78. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set

forth in Paragraph 77, WARRANTY OF COMPLIANCE WITH COUNTY’S DEFAULTED PROPERTY TAX REDUCTION PROGRAM, herein, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.
